Turn right of the apartment

Follow the road round keeping to the left when you get to the tennis centre entrance opposite on the right-hand side you will see pathway, cut through and turn left you will then see Judith Chalmers Villa in front of you going up the road.

When you reach Judith's Villa, veer to the left.

At the top of the hill (before you get to the island) on your right hand side follow this path for 200 meters going along the 1st hole of the Royal Golf course, you will reach Vale do Lobo Shopping Centre / Parque do Golfe reception. Judith's villa will be the first villa you pass (it has a mini putting green in the garden).

If you want to walk along the main road go past the golf course and you will get to an island turn right, keep on this road and it will take you to the beach. At night you can walk along the path but is not really well lit. Walk along the road if you want better lighting

At the end of this path you will reach the Vale do Lobo Shopping Centre and Golf Club House and Spikes.

In the shopping centre you have a chemist, hair dresses, beauty salon, golf shop, clothes shop, car hire/bike hire, wine shop (Soares) and an ATM. At Spikes you can just have a drink or something to eat (you do not have to play golf to go in) there is rather nice grassy area on the approach with small bridges over water features which is rather nice to let the children have a wander around , there is also fabulous views towards Quarteria and Vilamoura. Ask for a tour round the Royal Spa and book yourself a massage!.

Go through the car park past the golf buggies and you will see the ATM

When you go through the shopping centre turn right and Follow the road down the hill go straight on at the Island and you have arrived at the beach, restaurants and Vale do Lobo night life. This area is called the Praca.
