

## Brig o'Turk Loop 11/2 hours

Starting at Little Drum car park, a 3 mile walk to Brig o'Turk through woodland and across moorland with fine views. This walk passes through the Brig o'Turk Mires, once the village curling pond, now a Site of Special Scientific Interest and home to a wide variety of wetland plants and dragonflies.

For a shorter walk, why not start and end at the Glen Finglas car park?

This is a cross-country walk; wellies or walking boots needed. It is not recommended during calving time, Feb – mid May.

## Little Drum Wood 1/2 hour

A short walk through ancient woodland to a view point overlooking the Lendrick Hill new woodland area. From here you can follow the circular walk around the wood. There's a short extension down to a great spot to watch wildlife and birds if you're quiet!
